PRODUCT DESCRIPTION

Vetiver essential oil has a warm, sweet, woody, and earthy aroma. Steam distilled from the strong roots of a tall grass, Vetiver's nicknames, "fragrance of the soil" and "oil of tranquility", are fitting descriptions for an oil known for its grounding and calming properties. dōTERRA blends Vetiver with Fractionated Coconut Oil to create a roll-on that can be used topically when preparing for sleep or in a nurturing skincare regimen that conditions and hydrates.

USES

- Roll onto wrists, temples, neck, or feet before sleep.
- Use as a part of a daily skin care routine.
- Add to a comforting after-workout massage.
